EDUCATION

2021 - 2025
COMSATS UNIVERSITY

- Bachelor of Science in Software Engineering

2019 - 2021
PUNJAB COLLEGE

- FSc. Pre-Engineering

SKILLS

- Unity Game Development
- MERN Stack Development
- Machine Learning
- Matlab Image Processing
- WordPress Web Development
- .NET Development
- Quality Engineering
- Data Science
- Database Management
- Compiler Construction

LANGUAGES

- C/C++
- Java
- Python
- JavaScript
- C#

PROFILE

I am a dedicated software engineering student with a strong foundation in game development, machine learning, web development and computer graphics. Proficient in a variety of programming languages, I have a keen interest in developing interactive games using Unity, creating dynamic web applications with the MERN stack and applying advance image processing techniques. I am committed to continuous learning and growth in the tech industry with a focus on innovation and excellence.

WORK EXPERIENCE

Master Textiles Limited   2023 - 2024
Data Analyst

- Conducted data analysis using Python, leveraging various visualization tools and techniques such as Matplotlib, Seaborn, and Pandas to interpret and present complex data insights.
- Developed and implemented data-driven solutions, performing data cleaning, transformation, and visualization to support decision making and strategic planning.

Suffa Academy   2021 - 2022
Computer Science Instructor

- Instructed and mentored matric and college students in computer science, delivering comprehensive lessons on programming, algorithms and computer fundamentals.
- Developed tailored lesson plans and interactive learning materials, fostering deep understanding of computer science concepts and promoting academic excellence.

Pak Kuwait Textiles Limited   2020 - 2021
Database Manager

- Managed, controlled and optimized the company's database systems, ensuring high performance, security and data integrity.
- Led database upgrades and migrations, implementing best practices for data management and contributed to improved operational efficiency.

REFERENCE

- Will be furnished on demand
